

**CORE COMPETENCIES**

AVCOR Construction is a Woman-Owned, Service-Disabled Veteran-Owned, HUBZone Small Business, as certified by the Small Business Administration. AVCOR is a family-owned business, with roots in Arkansas, and an emphasis on employing America’s veterans and their families. Our expertise comes through knowledge in navigating the government contract construction and procurement process. AVCOR personnel include over a decade of experience managing federal construction projects, and personnel at AVCOR Construction are OSHA 30 certified, as well as first aid certified including CPR. AVCOR’s self-performance capabilities include: Construction Management, Contract Management, Demolition, Rough Carpentry, Framing & Drywall, Flooring, Paint & Finishing, Doors/ Frames/ Hardware Installation, Epoxy Flooring/ Floor Polishing and Site Work.

In addition to construction, AVCOR is a Clopay Overhead Doors Authorized Dealer, a Varco Pruden Metal Buildings Authorized Dealer, as well as an authorized Eaton PowerAdvantage Partner. Outside of construction and sales, AVCOR has the capability to provide brokerage services and property management services.
